## **CC911 – ROADS AND GENERAL MAINTENANCE REPORT**

The survey of roads and pavements in Killearn has now been completed and can be seen on KCC website. Members of the public are encouraged to send their comments to KCC.

The following were noted at the meeting:

- Pothole at Killearn Kirk opposite the Old Mill.
- Excess rain water and poor drainage on Station Road.
- Request for SC to review chicane on Station Road due to problems for both cyclists and drivers.
- Note of discrepancy between Council Tax paid by residents of Killearn and SC spending in Killearn compared with other local villages.

## **CC912 – COUNCILLOR'S REPORT**

In his report, Cllr Berrill spoke of the SC Budget for the year which will be set next week, the pilot scheme for the X10 Sunday bus service to Stirling which will last until Spring 2021 and a case brought by Blairlogie to the SC Environment & Housing Committee which succeeded in extending the 30 mph limit in their area.

## **CC913 – TREASURER'S REPORT**

Expenses	£40.00
Current bank balance	£1434.57

## **CC914 – QUESTION TIME**

A member of the public suggested an orchard might be planted on Well Green. As this area is owned by Killearn Trust, it was agreed Jim forward the suggestion to the Trust. Next year, Colourful Killearn plan to position planters on top of the wall at Well Green.

Further to questions regarding flooding at the Playpark, the meeting was informed that the work needed to drill through the rock base is in hand. There are also drainage problems in the football field and it was agreed Jim look into this matter. (*Action JP*)

## **CC915 – YOUTH MATTERS**

As it is half-term school holiday, there was no youth report.

## **CC916 – REPORTS OF MEETINGS ATTENDED**

There were no reports of meetings attended.

## **CC917 – CORRESPONDENCE**

Fiona reported on the following items of correspondence:

- Complaints of speeding at Napier Road/Lampson Road.
- Changes in the 'cow field'. (See also AOB)
- Bicycle rack enquiry at the Co-op.
- Petition to save Bank of Scotland, Balfron.
- Offer to assist with internet banking skills from local resident, Craig McKellar.

## **CC918 – ANY OTHER BUSINESS**

Further to local concerns about recent changes in the 'cow field', the meeting was informed that this is agricultural land owned by the Gordon Trust and currently rented out to a farmer. As the farmer wishes to put sheep in the field, fencing has been replaced and a padlock put on the kissing gate at the top of the Glen. Barbed wire has also been placed where there was a stile beside Abbeyfield. While the farmer does not want dogs being walked in the field where there are pregnant ewes and must protect his animals, KCC will investigate legality of using barbed wire. KCC have also contacted SC regarding the right of way across the field from a stile beside Abbeyfield.

Following discussion re the closure of the Bank of Scotland at Balfron, members of the public were encouraged to sign the petition organised by Balfron Community Council to keep the bank open. This can be done online or at the Co-op. It was agreed KCC also write a letter of support and liaise with other affected local villages. A two day opening and sharing of bank premises were discussed as possible options. *(Action JP)*  
It was noted that residents could conduct some banking operations at the local post offices in Balfron or Oakwood and that plans were being discussed for a cash machine on the outside wall of the Co-op in Balfron.

Hilary spoke to the meeting regarding Strathendrick Care Home in Balfron. Currently there is one room occupied by a resident with the remaining rooms used for respite care. Assurance had been given to Hilary that preference will be given to local residents who need Strathendrick's services. As Abbeyfield in Killearn currently have three rooms unoccupied, negotiations are underway between Abbeyfield and Health & Social Care Partnership regarding the use of such rooms for respite care. However, no decision has yet been made. It was agreed Cllr Berrill find out more information about the situation.

A number of flags from the Rotary Club have been found in the former Killearn Hotel. It was agreed to ask Peter Smith if the Archives Group would be interested in these.

The 1 mile Fun Run and 10k Run will take place on Saturday 6 June.

KCFC are working with Killearn Heritage Trail to establish plans for a trail route in Killearn. This will comprise eight information boards sited around the village each of which will require planning permission costing £210 each. If the planning application is done in the name of KCC rather than KCFC, there will be a 50% reduction in costs. As this does not raise any issues for KCC, it was agreed KCC submit the application, thus saving KCFC over £800.

It was announced that the Three Sisters Bake coffee shop will re-open after its refurbishment on Thursday 22 February.

## **CC919 – DATE AND VENUE OF NEXT MEETING**
