CC1427 – MINUTES OF MEETING HELD ON 15 May 2023

The minutes were voted as a true record of the meeting.

CC1428 – MATTERS ARISING

- 41 Station Road

Jim Ptolomey represented the Killearn Community Council at the planning panel to object to the work that has been done. Stirling Council however, voted to approve the retrospective planning for 41 Station Road with a number of conditions.

A number of local residents are disappointed by the decision and have taken further action.

Jim felt that he was able to make the necessary points during the meeting but there wasn't any opportunity to discuss it further. It is not recommended for KCC to take this any further following the decision that was made.

An expression of thanks was given to Jim for his support and representation at the meeting.

- Annual Beds

Colourful Killearn have provisionally agreed to take on the maintenance of the bed at the war memorial, with help from other local organisations and residents/individuals. It was discussed that perennials and shrubs will be planted in due course to allow for continued growth each year. Opportunities will be made available for those who are willing to help with planting and maintenance.

**Fiona Rennie to chase Stirling Council about the weed treatment on the pathways and whether or not this will be continuing.*

- Local Place Plan

A Local Place Plan 'engagement event' was held on Sunday (16th June) and proved successful. More responses were gathered and useful insights were

discussed. Another event will be scheduled at the end of summer, before the final report is collated.

The Repair Cafe was also a success with many repairs taking place.

- Scam avoidance

Councillor Henke updated the meeting on a Police led Scam Awareness session that he had organised in Balfron - the attendance and feedback had been really positive and Councillor Henke is looking to run more 'open' sessions in the various local villages to help spread the word.

CC1429 – POLICE MATTERS

As Police Scotland was unable to attend the meeting, Fiona gave the following Police Report:

- Assault

A person has been reported for warrant in relation to a number of offences, including assault x 2, Taking a vehicle and driving away, Drive with no Licence or insurance. They were part of a group visiting the area and staying in holiday accommodation.

3 persons were issued with recorded police warnings in relation to Section 38 of the Criminal Justice & Licencing (Scotland) Act 2010 (Threatening and abusive behaviour) after being involved in a fight within a campsite.

- Fraud

A fraud has been recorded after the victim was contacted by email by someone purporting to be their financial advisor and providing them false bank account details. Unfortunately, the victim transferred a large sum of money to this account. Enquiries are still ongoing.

- Road Safety

A report was received of a vehicle failing to stop at the scene of an accident and exchange their details after colliding with another vehicle. The driver thereafter failed to report the accident to Police. Fortunately, only minor damage was sustained. The driver remains untraced.

Reports of livestock encroaching on our roadways. Fortunately, these did not result in any collisions. Please take care when driving on the roads.

2 reports received of inconsiderate driving in the village. One reporter failed to engage further and the other did not wish to provide statements / potentially attend court. One of the drivers was traced and spoken to in regard to their driving manner.

- Incidents of note

Unfortunately, a large number of rubbish bags appear to have been thrown over the bridge and into the gorge at Finnich Glen. The landowner and SEPA have been made aware.

The full police report is available on KCC website www.killlearncc.org.uk

CC1432 – ROADS AND GENERAL MAINTENANCE REPORT

- Road Closures

B834 Blanewater Bridge closure from 16th June to 25th August for emergency repairs.

- State of footpath at foot of Station Rd.

Stirling Council cannot give a timeline for when they can assign a squad to do some limited repairs. For reference; The footway will be formed using suitable type-1 sub-base, 50mm base course and 30mm carpave wearing course.

- A809 Gabion Baskets - South of Devils Pulpit - w/c 17th & 24th June

The A809 "Gabion baskets" this is to repair the road banking that has slipped away south of the devils pulpit. The works are covered by two way traffic lights and the road is not closed.

- Pavement parking ban to be enforced in Stirling area from 15th July

Enforcement against parking on pavements, parking at crossing points and double parking will begin in Stirling on Monday, 15th July.

New regulations came into force in Scotland in December 2023, designed to tackle the problems caused by inconsiderate parking, especially for people with mobility issues, visual impairments and those with pushchairs.

From that date, Penalty Charge Notices (PCNs) will be issued for the three new contraventions. The fine is £100, reduced to £50 if paid within 14 days of issue. Stirling Council is the latest in a line of Local Authorities, including Glasgow, Edinburgh and Dundee, to introduce enforcement.

- A809 - Stockiemuir Rd.

Will be closed from its junction with the B821 (to Strathblane) to its junction with the Stirling / Dumbarton boundary from 9th - 12th July incl. between the hours of 8 am - 6 pm.

- A834 - Station Rd.
Will be closed from its junction with the A81 to its junction with Napier Rd. from 8th - 12th July incl.
- Gartness Rd. and Balfunning Rd.
Will be closed from their junctions with the A81 to junctions with the A811 from 22nd June - 25th August to ensure that formal diversion routes are adhered to.
