

HOME VISITS for LEGAL WORK

We know many older people find it difficult or inconvenient to visit lawyers' offices.

Where we can, we are happy to visit clients in their homes. We are also happy for clients to have in attendance with them a trusted friend or relative during visits.

We are pleased to advise we provide this service in your area.
There is no extra charge for this.

PLEASE CALL

0800 037 0526

And ask for me, Karen – and I will be happy to arrange an appointment for you.

Remember too – we assess all clients for legal aid and if you qualify we will get it for you.

I look forward to hearing from you.

Karen
