

KCC March 2025 - Roads Report

Road Closures:

- B834 (Station Road, Killearn) closed this week until Sunday 0800 to 1800
- 811 closed from Station Road, Buchlyvie to its junction with the A81 and A875 from junction with the A811 to Station Road, Balfron both from 0900 to 1800 running 17/3/25 to 30/03/25

Parking at primary school access on Beech Drive

Area has been assessed by Stirling Council and Double Yellow Lines will be installed to make the area safer during school drop off/pick up times.

Traffic lights on Blanewater Bridge

- Have now been removed in line with Stirling Council's assessment that traffic flow is best managed using the original priority system.
- Road surface on Killearn side of bridge has also been repaired.

20mph limit in Killearn

Update 13 Mar. '25 - 20 mph limits - This Order proposes to make permanent the existing temporary 20-mph speed limits on Aitken Street, Allan Road, Barclay Way, Branziert Road, Branziert Road North, Drumore Road, Endrick Road, Gartness Road, Ibert Road, Kirkhouse Road, Lampson Lane, Lampson Loan, Lampson Road, Napier Road, New Endrick Road and Wilson Crescent, Killearn. The Order will also extend and make permanent the existing temporary 20mph speed restriction on the A875 Balfron Road and Main Street, Killearn and reduce and make permanent the existing temporary 20mph speed limits on the B834 Station Road and Drumbeg Loan,

Road Markings at Finnich Toll

Now repainted following KCC raising the issue with SC

Stockiemuir Road

- Road surface from Council boundary at Carbeth to Finnich Toll is very poor – especially at St Mocha/Carbeth Fishery.
- KCC will liase with SC to determine the plan for repairing this stretch of road
